

CORES Access Rights

An Entity Administrator can review, assign, or delete access rights to certain ERO Portal systems for internal users.

- Log into the [ERO Portal](#).
- Select **Manage Entity** from the dropdown box located to the right of your name.

- To view access rights of a current user, select the user name listed in blue.
 - A list of **Permissions User Has** and **Permissions Users Can Assign** will appear.
 - These rights can be modified as needed.
 - **Permissions User Has:** Access rights to view/modify certain modules
 - **Permissions Users Can Assign:** Access rights to assign certain roles
 - **Role Examples:** CFR Administrator, CFR User, and Entity Administrator
