

Reliability Guidelines on Battery Energy Storage Systems (BESS) and Distributed Energy Resources (DERs)

Brad Woods

Texas RE Reliability Services

Reliability Guidelines

- **System Planning Impacts from Distributed Energy Resources Working Group (SPIDERWG)**
 - Model Verification of Aggregate DER Models used in Planning Studies (DRAFT)
- **Inverter-Based Resource Performance Task Force (IRPTF)**
 - Performance, Modeling, and Simulations of BPS-Connected Battery Energy Storage System and Hybrid Power Plants (DRAFT)
